## Membership Agreement

Effective: 2020-06-12

The Linux Foundation (“The Linux Foundation”) is a nonprofit mutual benefit corporation, for the purposes of “supporting, promoting, protecting, and standardizing Linux and open source software and technologies.” Thank you for agreeing to join The Linux Foundation and for your help in our communities to achieve this purpose.

Please have this Agreement executed by an authorized representative of your company (“Member”) and submit an executed electronic agreement via our online system or send an executed copy in PDF form by email to [membership@linuxfoundation.org](mailto:membership@linuxfoundation.org). A countersigned copy will be returned to you by email for your records when your eligibility for membership has been confirmed and an invoice will be sent to you for payment of applicable membership fees. The Linux Foundation will rely on the contact information provided in Exhibit A for any notices.

Note that this Agreement is not an indication of interest; execution of this agreement creates an irrevocable, binding obligation for the Member to make the payments provided for and to otherwise perform in accordance with its terms. The Linux Foundation may refuse any Participation Agreement submitted by a member that has payment obligations outstanding to The Linux Foundation or to any other The Linux Foundation directed fund.

### Fees and Initial Membership Term

All membership Fees are based in US Dollars. All membership privileges will commence starting the date of execution of this Agreement. Unless agreed otherwise, all Fees will be due within thirty days of receipt of an invoice and subject to the Linux Foundation’s [Good Standing Policy](#).

For the purposes of calculating Silver membership fees, consolidated employees include all employees of the related companies, including any direct and indirect parent companies, and all sister, and subsidiary entities, excluding third party contractors.

Membership Agreements signed before the 15th of the month will be invoiced as if active on the first of the month of signature. Agreements signed on or after the 15th of the month will be invoiced as if active on the 1st of the following month. The month listed on the invoice is the “Invoice Month”.

The “Initial Membership Term” will start the date of execution of this Agreement and continue for 12 months from the Invoice Month.

Platinum membership is limited by The Linux Foundation’s Bylaws. Agreements for Platinum membership will not be accepted or assured of an immediate board seat if all Platinum seats are occupied or otherwise limited.

Member acknowledges that The Linux Foundation and its members depend upon reliable membership renewal information to budget effectively, and that The Linux Foundation's ability to provide support to its communities and members will suffer in the event of nonpayment of membership Fees.

**Renewal Term:**

The first renewal membership period and invoice will be prorated for the remainder of that calendar year (a “Stub Period”). Starting at the second renewal of membership, membership will renew for successive 12-month terms (“Renewal Term”) on a calendar year basis.

Notice of any increase in membership dues for the Stub Period or Renewal Term will be given on or before November 15 in the current calendar year.

Membership will renew automatically unless the Member delivers written notice of non-renewal to The Linux Foundation:

- a) on or before the first day of the last month of its Initial Membership Term, or
- b) by December 1 of any calendar membership year.

**Compliance with Bylaws, Policies, and Project Charters**

Member will comply with all the terms and conditions of The Linux Foundation’s Bylaws, as they may be amended, and of such policies as the Board of Directors and/or committees of the Board may adopt, provided, however, that, with respect to policies applicable generally to all The Linux Foundation members, The Linux Foundation agrees that it will not adopt and require compliance with, or amend, any policy relating to patents or other intellectual property rights unless it gives at least sixty (60) days’ notice to members prior to the effective date of such policy, or amendment, during which time the Member may choose to cancel its Membership. The Linux Foundation does not have an intellectual property policy related to The Linux Foundation membership. The Linux Foundation Bylaws and Policies are available at: <https://www.linuxfoundation.org/policies>. The technical governance and intellectual property policies for each technical project community hosted by The Linux Foundation and its affiliates (including LF Projects, LLC and Joint Development Foundation Projects, LLC) are set forth under the applicable charter for each project. Member agrees to comply with the charters of any specific project that it chooses to contribute to.

## THE LINUX FOUNDATION

### LF EDGE FOUNDATION Directed Fund Participation Agreement

Thank you for your interest in joining the LF Edge Foundation (the “Directed Fund”), a directed fund project of The Linux Foundation (the “LF”). The purpose of the Directed Fund is to raise, budget and spend funds in support of various open source projects relating to development of an edge computing software stack, including infrastructure and support initiatives related thereto (each such project, a “Technical Project”). The governance for the Directed Fund will operate pursuant to the Directed Fund Charter (the “Charter”), set forth as Exhibit B, and as amended in the future by the Governing Board with the approval of the LF. **Please note** that you must be a member of the LF to be eligible to participate as a member of the Directed Fund. For further information, visit the [Corporate Membership](#) page at the LF web site.

Participants will enjoy the privileges and undertake the obligations described in the Charter and will comply with all such policies as the LF Board of Directors and/or the Directed Fund’s Governing Board may from time to time adopt with notice to members. The LF reserves the right to refuse any Participation Agreement submitted by a member who has payment obligations outstanding to the LF or to any other LF directed funds. Technical oversight governance for any Technical Project is set forth in the technical charter for such Technical Project.

Please have this Participation Agreement (the “Agreement”) executed by an authorized representative of the member company named below (“Member”) and send a copy in PDF form by email to [membership@linuxfoundation.org](mailto:membership@linuxfoundation.org). A countersigned copy will be returned to you by email for your records when your eligibility for membership has been confirmed. Your “Join Date” will be the date your countersigned agreement is returned to you. An invoice will be emailed to you for payment of membership fees, if applicable based on the Founding Member Fee Payment Option selected. Note that this is not an indication of interest; execution of this Agreement creates an irrevocable, binding obligation for the member company to make the payments provided for and to otherwise perform in accordance with its terms.

**Contact Information:** If you are an existing LF Member, all legal, billing and financial notices from the LF relating to your participation will be sent to the individuals already on file with the LF under those categories unless you designate a different individual in Exhibit A.

<sup>1</sup> Premier Membership requires an initial two-year membership commitment.

**General Membership Fee Scale:**

In calculating the appropriate fee for General membership, please indicate your current consolidated employee<sup>2</sup> headcount here: \_\_\_\_\_

Select	Consolidated Employees	General Membership Fees <sup>2</sup>
<input type="checkbox"/>	5,000 and above	\$25,000
<input type="checkbox"/>	From 500 to 4,999	\$15,000
<input type="checkbox"/>	From 100 to 499	\$10,000
<input type="checkbox"/>	Up to 99	\$2,500

<sup>2</sup> Solely for purposes of calculating fees, Consolidated Employees include all employees of Related Companies (as defined in the Charter), which include any direct and indirect parent companies, and all sister and subsidiary entities. Employees do not include third party contractors.

Membership fees are due and payable within thirty days of the date of invoice from the LF. Agreements signed before the 15th of the month will be invoiced as if active on the first of the month of signature. Agreements signed on or after the 15th will be invoiced as if active on the 1st of the following month. The second year’s invoice will be sent at the first anniversary of membership. At the second anniversary of membership, if membership is not canceled at least thirty days prior to the second anniversary of membership, a pro-rated amount of the applicable fees for the remainder of that calendar year (a “stub period”) will be invoiced and membership will proceed on a calendar-year renewal cycle thereafter).

All fee amounts are irrevocable and non-refundable commitments based in US Dollars. We reserve the right to refuse your Participation Agreement if you have outstanding obligations to

the LF or any other LF projects. In no event will fees be refunded, upon a Member's resignation or otherwise.

Each Member acknowledges that the LF and other Directed Fund members depend upon reliable participation renewal information to budget effectively, and that the LF's ability to provide services to the Directed Fund would suffer in the event of nonpayment of participation fees. Each Member acknowledges The Linux Foundation's Good Standing Policy, available at <https://www.linuxfoundation.org/good-standing-policy>.

Notice of any increase in participation fees for the following calendar year will be given on or before October 15 in the current calendar year. Member's participation for each calendar year and any stub period, and its obligation to pay participation fees for the following calendar year or stub period, as applicable, will renew annually for successive one-year terms, unless the applicant delivers written notice of non-renewal to the LF on or before December 1 of the current membership year.

- d) Directed Fund Membership is non-transferable, non-salable and non-assignable, except a Member may transfer its current Membership benefits and obligations to a successor of substantially all of its business or assets, whether by merger, sale or otherwise that is, or upon such transfer becomes, a member of The Linux Foundation.

- a) The Governing Board will approve an annual budget and never commit to spend in excess of funds raised. The budget and the purposes to which it is applied must be consistent with both (a) the non-profit and tax-exempt mission of The Linux Foundation and (b) the aggregate goals of the Technical Projects.
- b) The Linux Foundation will provide the Governing Board with regular reports of spend levels against the budget. Under no circumstances will The Linux Foundation have any expectation or obligation to undertake an action on behalf of the Directed Fund or otherwise related to the Directed Fund that is not covered in full by funds raised by the Directed Fund.

### **16) Amendments**

- a) This Charter may be amended by a two-thirds vote of the entire Governing Board, subject to approval by The Linux Foundation.
